Report of All India Seminar on
“FUNDAMENTALS OF ARTIFICIAL INTELLIGENCE”

Brief details about the Programme:

This report captures a All India Seminar On “Fundamentals Of Artificial Intelligence” sponsored by The Institution of Engineers (India), was organized by Kanchepuram Local Centre. On 29th July 2022 the seminar has been inaugurated by Dr. G. Sundari, Director Administration of Sathyabama Institute of Science and Technology with lighting of kuthuvilakku followed by the inaugural address. During the inaugural session. Dr. R. M. Joany, MIE (Corporate member) ECE department, Sathyabama Institute of Science and Technology welcomed the gathering. Token of felicitations were presented to Guest Speaker of session-1, Mr. Hariharan Veerappan, Founder, NEEVEE Technologies, Chennai by Dr. G. Sundari, Director Administration. The Introductory address was given by Dr. S. Karthikeyan, FIE, Head IE(I) Coordinator, Sathyabama Student Chapters about the importance on Machine learning and Artificial Intelligence. After the inaugural session, the first Lecture on “Fundamentals of Artificial Intelligence” was given by Mr. Hariharan Veerappan, Founder, NEEVEE Technologies, Chennai by focussing on the future of Artificial Intelligence for real time day to day applications. The session was very informative and it was an eye opener for the students. The second lecture was given by Dr. N. Vinoth, Associate professor, MIT Campus, Anna University, Chennai under the topic “Research approach to Machine Learning”. The session gave a new perspective about various techniques approaches of machine learning in real time applications. On 30th July Dr. Deepa Jose, Professor, Head Research, KCG College of Technology, Chennai delivered a talk on the title “Fundamentals of machine learning and the need of deep learning” during the third session. Fourth session was handled by Mr. Manikandan R, Technical Manager, Medical Electronic Systems, HCL Technologies Limited, Chennai under the title “Industrial approach to Artificial Intelligence”. Token of felicitations were presented to all the distinguished speakers. Dr. D. ELANGO, National Council Member & Chairman, IE(I) Kanchepuram Local Centre has also graced the occasion. The main objective of the seminar was to instigate the importance and create an in-depth knowledge about Artificial Intelligence amongst students. All the sessions were very informative and eye opener for the younger generation of students. Dr. E. Anna Devi, MIE (Corporate member) ECE department, Sathyabama Institute of Science and Technology proposed the vote of thanks. During the valedictory function, feedback was received from the participants and the program ended at 4.00 pm with National Anthem.

Details of the Sessions:

Day 1 29th July 2022 (Forenoon Session)	Inaugural Function Lecture by: Mr. Hariharan Veerappan, Founder, NEEVEE Technologies, Chennai. Topic: Fundamentals of Artificial Intelligence
Day 1 29th July 2022 (Afternoon Session)	Lecture by: Dr. N. Vinoth, Associate professor, MIT Campus, Anna University, Chennai under the topic Topic: Research approach to Machine Learning
Day 2 30th July 2022 (Forenoon Session)	Lecture by: Dr. Deepa Jose, Professor, Head Research, KCG College of Technology, Chennai. Topic: Fundamentals of machine learning and the need of deep learning
Day 2 30th July 2022 (Afternoon Session)	Lecture by: Mr. Manikandan R, Technical Manager, Medical Electronic Systems, HCL Technologies Limited, Chennai. Topic: Industrial approach to Artificial Intelligence Valedictory Function
